## PRODUCTION TEAM

### Chantel Kuli (Stage Manager)

Chantel is flushed with pride to be working as Stage Manager for this production. Working from the booth with the Youth Program at Windsor Light has brought her into this amazing world of Fringe and she couldn't be happier to work with Jenn, Eric, Tyler & Grant on this incredibly weird and hilarious project. Much love as always to the pea-hater himself Kieran and Little Miss.

### Diana Cuckovic (Choreographer)

Dancing for as long as she can remember, Diana has been choreographing for various dance and theatre groups for over ten years. You may have seen her work onstage for Windsor Light Music Theatre, or at the Carrousel of the Nations with Barvinok Ukrainian Dance Ensemble. Diana is thrilled to be a part of this exciting new venture and hopes you enjoy the show!

**Featuring:** Isla Reisch (Little Posey) & Sonny Reisch (Little Paul)

## CAST

### Jennifer Budinsky (Producer, Writer, Actor - Posey)

Jenn is a Windsor-based actor, coach, and consultant with a love for heartfelt stories and all things musicals. Flushed marks her writing debut. When she's not plunging into new scripts, Jenn runs Budding Sky Studios, helping actors find their voice and confidence both on camera and on stage. A heartfelt thank you to the Flushed cast and crew for their creativity and hard work. Special thanks to David, Isla and Sonny for always laughing at her fart jokes. Visit [buddingsky.com](http://buddingsky.com) for past performances.

### Eric Droski (Producer, Writer, Actor - Plumber Prince)

Eric has been part of Windsor's theatre scene for over 3 years and can't imagine life without it. He's thrilled to collaborate with dear friends to create something truly unique. Flushed has been the perfect mix of work and play—a big game of improv that somehow became a show. He dedicates this performance to the plumber friends he's made over 14 years in Windsor—most don't come to musicals, but this one's for you!

### Tyler Jaques (Writer, Actor - Paul/Paul's Dad)

Tyler is a Windsor-based software developer by day, and actor/singer by night. Most recently, he embraced his inner turd by playing Earl in *Waitress* with Windsor Light Music Theatre. Other WLMT shows include *SpongeBob*, *Hairspray*, *Cinderella* and *Elf*. A real-life pooper-hero to his two young boys and wife Sarah, Tyler is thrilled to bring his love of 90's bangers to the stage in Flushed.

### Grant Jonsson (Actor - Posey's Dad)

Grant is a writer, filmmaker, and actor who returned to the stage last year and reignited his love for performing. He's since appeared in shows with Migration Hall (*Arsenic and Old Lace*), Windsor Light (*Charlie and the Chocolate Factory*, *Spongebob*), Korda (*The Three Musketeers*, *Murder on the Orient Express*), and Bloomsbury (*A Few Good Men*). He's proud to support his friends in Budding Sky Productions' debut at the long-awaited return of the Windsor Fringe Festival.
